## WHAT'S BEEN HAPPENING

On Monday we made gingerbread houses with all the children. The kids were very productive in their construction teams however the houses had some glaring structural issues and were eaten as a result. **Fitness Club** was run by two guest personal trainers from Year 2 who were excellent leaders and demanding taskmasters.

We continued our Christmas craft with some reindeer headbands and Santa cards among other fun activities. Our **Mindfulness Club** continued, giving children a calming environment to reflect on their day. Our **Dance Club** has been practicing and making great progress on their dance.

Next week we will be continuing to prepare for Christmas with our creative activities as well as multiple opportunities for the kids to join our **Cooking Club**. Active games will continue, focusing on input from the children.

On **Thursday 12<sup>th</sup> December (Week 9)**, TeamKids will be hosting an end of year **Disco** to celebrate an incredible year at Good Shepherd. **Between 3:30pm and 6:00pm**, there will be a dance floor with a surprise DJ set and some party games and activities. Food and drink will be available for both the children and adults. All parents are invited to come and join in the celebration with the staff and the children!

See you next week!
