WHAT'S BEEN HAPPENING

It's hard to believe we've already reached **Week 10** and the end of **Term 3**! As we wrap up another busy and exciting term, we're also looking forward to welcoming the **Spring Holidays** ahead.

Throughout the term, the children have been actively involved in a variety of engaging and enriching activities. These included planned experiences that reflected their **interests**, as well as participation in our **STEM and Sports Clubs**, which provided opportunities to extend their learning and develop new skills.

A highlight of the term was our **Term Challenge**, where the children collaborated as a team to achieve shared goals—building a strong sense of teamwork and cooperation. We also embraced school-wide events, such as **Book Week**, with themed activities that connected with the broader learning community.

To celebrate the successful completion of the term, we're finishing the week with a **celebration party** and a range of **fun games**. It's a great way to reflect on all we've achieved and enjoy time together before the holidays. We're so proud of everything the children have accomplished this term and can't wait to see what the next one brings!

IMPORTANT INFO

Spring Holiday Care Bookings Now Open

The school holidays are just around the corner! Our Spring Holiday Program booking portal is now live. Please **book in** as early as possible to help us ensure we have enough educators available to support all children and deliver a fun, safe experience.

Get Ready for Warmer Weather

With hot days approaching, please ensure your child comes prepared with: A **spare hat** in their bag. **Sensitive sunscreen**, if they require a specific brand Staying sun-safe is a top priority during our outdoor activities!

Smartwatch Use – Policy Update

Due to recent privacy policy changes, children are no longer permitted to wear smartwatches with camera functions at TeamKids. These devices can compromise the privacy of others, so please ensure your child leaves them at home. Thank you for helping us maintain a safe and respectful environment for all.

Clubs

Over the past two weeks, our **STEM Club** and **Sports Club** have continued to bring energy, creativity, and fun into our sessions!

In **Sports Club**, the children enjoyed a variety of action-packed games that supported teamwork and gross motor development. Activities like **Bullrush Dodgeball**, **Silent Ball Challenges**, **Chain Tip Relays**, **Indoor Tennis**, **Popcorn Parachute**, **Touch Footy**, and **Relay Races** kept everyone moving and engaged—while also reflecting the children’s interests.

Meanwhile, in **STEM Club**, creativity and curiosity took centre stage.

Children explored the **Loose Parts Craft Zone**, where they used materials like straws, cups, plates, and pop sticks to build imaginative creations.

They also made their own **playdough** using flour, salt, and food coloring, learning about measurements and textures along the way. As an added challenge, some even began learning the basics of **chess**, sharpening their thinking and strategy skills.

We’ve wrapped up the term full of new knowledge, fun memories, and skills gained. We’re excited to keep the momentum going with even more exciting club activities in **Term 4!**
